

Online Student Satisfaction Survey Analysis Report (2021-22)

The college close the questionnaire prescribed by the NAAC on student satisfaction survey to get a formative feedback through online the questionnaire is prepared to obtain teaching-learning, evaluation procedure and infrastructure of the institute which contains 20 questions and three suggestions pattern. In order to analyse the performance of the institute which might be supportive to reach the institutes vision. The results of the survey analysis enhance the quality method of teaching and procure infrastructure to meet the industrial requirements.

The most important stakeholders of the institution. the student's suggestion is playing a vital role in formulating teaching – learning process and its quality. The student identity is not revealed and maintained confidential who answers all the 21 questions mandatorily and give three suggestions and it is analysed on 5point scale Overall Analysis of the student satisfaction survey. The different graphical presentations show various ideas of the students regarding quality of teaching-learning process.

1421 of students are expressed satisfaction as the teaching-learning process in the institute. Majority of the students felt satisfaction with the infrastructure provided by the institute. Kuppam Degree College, Chittoor Students Satisfaction Survey link forwarded to the students is given below.
